Psychologist Test

TAT

Time 4 minutes

The first test will be TAT, here you will be shown a picture for about 30 seconds, and you will have to write a story "4" minutes keeping the picture in mind. Your story should consist of three parts in which the 1st part should convey, how the situation has developed and then arrived at the present stage, then what is happening now and what is the final outcome. Do not get worried about beauty of expression and sleeping. If there is any word or expression, which is not coming to your mind in English you can write it in Hindi.

STORY

W.A.T.

Time 2.5 minutes

We will show you 60 words and you have to write a sentence within 15 seconds. It is not necessary that the word should come in the sentence.

After every 20 words, we will show you a blank that will be the time to change the page.

1. LOVE .................................................................
2. KILL .................................................................
3. GIRL .................................................................
4. DEFEAT ............................................................
5. ARMY .................................................................
6. BAD .................................................................
7. COMMANDER ...................................................
8. MACHINE GUN ..................................................
9. FATHER .............................................................
10. GUN .................................................................

The S.R.T. in which your reaction is tested in a particular set of circumstances and you have to write as briefly as you can.

How you adjust yourself in any situation, you are aggressive or defensive or otherwise, do you lose your temper or not, how do you solve the problems in a critical situation's and how do you tackle your problems in any situation and you have to take quick decision.

S.R.T. Series

Time 5 minutes

You will be given a set of 60 normal situations, commonly encountered by everyone. You have to give your natural reactions to the situations. Here I am giving 10 situations and time will be 5 minutes.

1. He was appointed captain of the basketball team but other players revolted against his appointment. He
