## AFCAT 2 2021 Selection Procedure

- AFCAT 2 2021 online exam was conducted in 28th, 29th and 30th August 2021.
- IAF will publish the results of AFCAT 2 2021 in September 2021 and candidates will be able to check their marks, cut off marks etc on the official portal i.e. [afcat.cdac.in](http://afcat.cdac.in)
- Selected candidates have to choose their AFSB interview venue and date on the same portal.
- The screening test is the first stage of the interview, which consists of OIR tests and a PPDT test. The selected candidates will stay at the centres for further selection tests and those who could not qualify it, would be set free on the same day.
- The next stage consists of a personal interview, Psychology and GTO tests, CPSS (for flying only), on the last day conference will be conducted after which, the final result is announced. The selected candidates are sent for medical examination.
